

Quarterly Results with Data Tables

The following table presents quarterly revenue and profit data for fiscal year 2024.

Quarter	Revenue (\$M)	Profit (\$M)	Margin (%)
Q1 2024	980	142	14.5
Q2 2024	1050	158	15.0
Q3 2024	1080	168	15.6
Q4 2024	1090	152	13.9

Analysis of Results

The data shows consistent revenue growth throughout the year, with Q4 showing slightly compressed margins due to increased holiday season operational costs.
